IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS**In Case of Errors or Questions About Your Electronic Fund Transfers**

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. Telephone us at 877-770-BANC (2262) or write to us at Banc of California, N.A., 3 MacArthur Place, Santa Ana, CA 92707

1. Tell us your name and account number.
2. Describe the error or transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within 10 business days (20 business days for new accounts, point-of-sale and foreign transactions) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days for new accounts, point-of-sale and foreign transactions) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days for new accounts) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within (10) business days, we may not provide you with a provisional credit. If we decide that there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

CONSUMER BILLING RIGHTS NOTICE**KEEP THIS NOTICE FOR FUTURE USE**

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify us in case of errors or questions about your bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write to us at:

Banc of California, N.A.
3 MacArthur Place
Santa Ana, CA 92707

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar Amount: the dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors, and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

HOW YOUR INTEREST CHARGES ARE CALCULATED

Periodic INTEREST CHARGES for credit advances under your Credit Line will begin to accrue on the date credit advances are posted to your Credit Line. There is no "free ride period" which would allow you to avoid an INTEREST CHARGE on your Credit Line advances.

A daily INTEREST CHARGE will be imposed on all credit advances made under your Credit Line imposed from the date of each credit advance based on the "daily balance" method. To get the daily balance, we take the beginning balance of your Credit Line Account each day, add any new advances and subtract any payments, credits or any unpaid INTEREST CHARGES. This gives us the "daily balance."

INTEREST CHARGES are determined by multiplying the "daily balance" by the "Periodic Rate" ("Periodic Rate" is the interest rate in effect divided by 365). Times the number of days the Credit Line was at that balance, the result is truncated to two digits. The last day of the period (statement day) is always calculated as a separate day regardless of whether or not the balance changed. Then we add together the periodic INTEREST CHARGES for each day in the billing cycle. This is your INTEREST CHARGE calculated by applying a "Periodic Rate." The periodic INTEREST CHARGE is posted to the Credit Line on the last day of the billing cycle as part of the new balance.

CONSUMER CREDIT REPORTING

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IMPORTANT DISCLOSURES TO OUR BUSINESS AND NON-PERSONAL ACCOUNTS

The above provisions do not apply to business or other non-personal accounts. You must send us a written notice of the problem within a reasonable time, not to exceed 14 days from the date of discovery or your receipt of the first statement or notice reflecting the problem, whichever occurs first.

For purposes of these disclosures, our business days are Monday through Friday - Holidays are not included. To request a copy of a check presented against your account, please contact us at 877-770-BANC (2262).

IMPORTANT: Please examine this statement. If any error concerning the information contained herein, excluding a line of credit, is not reported to us within 30 DAYS, this statement will be considered correct.

IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS**In Case of Errors or Questions About Your Electronic Fund Transfers**

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. Telephone us at 877- 770-BANC (2262) or write to us at Banc of California, N.A., 3 MacArthur Place, Santa Ana, CA 92707

1. Tell us your name and account number.
2. Describe the error or transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within 10 business days (20 business days for new accounts, point-of-sale and foreign transactions) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days for new accounts, point-of-sale and foreign transactions) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days for new accounts) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within (10) business days, we may not provide you with a provisional credit. If we decide that there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

CONSUMER BILLING RIGHTS NOTICE**KEEP THIS NOTICE FOR FUTURE USE**

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify us in case of errors or questions about your bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write to us at:

Banc of California, N.A.

3 MacArthur Place

Santa Ana, CA 92707

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar Amount: the dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors, and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

HOW YOUR INTEREST CHARGES ARE CALCULATED

Periodic INTEREST CHARGES for credit advances under your Credit Line will begin to accrue on the date credit advances are posted to your Credit Line. There is no "free ride period" which would allow you to avoid an INTEREST CHARGE on your Credit Line advances.

A daily INTEREST CHARGE will be imposed on all credit advances made under your Credit Line imposed from the date of each credit advance based on the "daily balance" method. To get the daily balance, we take the beginning balance of your Credit Line Account each day, add any new advances and subtract any payments, credits or any unpaid INTEREST CHARGES. This gives us the "daily balance."

INTEREST CHARGES are determined by multiplying the "daily balance" by the "Periodic Rate" ("Periodic Rate" is the interest rate in effect divided by 365). Times the number of days the Credit Line was at that balance, the result is truncated to two digits. The last day of the period (statement day) is always calculated as a separate day regardless of whether or not the balance changed. Then we add together the periodic INTEREST CHARGES for each day in the billing cycle. This is your INTEREST CHARGE calculated by applying a "Periodic Rate." The periodic INTEREST CHARGE is posted to the Credit Line on the last day of the billing cycle as part of the new balance.

CONSUMER CREDIT REPORTING

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IMPORTANT DISCLOSURES TO OUR BUSINESS AND NON-PERSONAL ACCOUNTS

The above provisions do not apply to business or other non-personal accounts. You must send us a written notice of the problem within a reasonable time, not to exceed 14 days from the date of discovery or your receipt of the first statement or notice reflecting the problem, whichever occurs first.

For purposes of these disclosures, our business days are Monday through Friday - Holidays are not included. To request a copy of a check presented against your account, please contact us at 877-770-BANC (2262).

CONSUMER BILLING RIGHTS NOTICE**KEEP THIS NOTICE FOR FUTURE USE**

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify us in case of errors or questions about your bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write to us at:

Banc of California, N.A.

3 MacArthur Place

Santa Ana, CA 92707

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar Amount: the dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors, and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

HOW YOUR INTEREST CHARGES ARE CALCULATED

Periodic INTEREST CHARGES for credit advances under your Credit Line will begin to accrue on the date credit advances are posted to your Credit Line. There is no "free ride period" which would allow you to avoid an INTEREST CHARGE on your Credit Line advances.

A daily INTEREST CHARGE will be imposed on all credit advances made under your Credit Line imposed from the date of each credit advance based on the "daily balance" method. To get the daily balance, we take the beginning balance of your Credit Line Account each day, add any new advances and subtract any payments, credits or any unpaid INTEREST CHARGES. This gives us the "daily balance."

INTEREST CHARGES are determined by multiplying the "daily balance" by the "Periodic Rate" ("Periodic Rate" is the interest rate in effect divided by 365). Times the number of days the Credit Line was at that balance, the result is truncated to two digits. The last day of the period (statement day) is always calculated as a separate day regardless of whether or not the balance changed. Then we add together the periodic INTEREST CHARGES for each day in the billing cycle. This is your INTEREST CHARGE calculated by applying a "Periodic Rate." The periodic INTEREST CHARGE is posted to the Credit Line on the last day of the billing cycle as part of the new balance.

CONSUMER CREDIT REPORTING

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IMPORTANT DISCLOSURES TO OUR BUSINESS AND NON-PERSONAL ACCOUNTS

The above provisions do not apply to business or other non-personal accounts. You must send us a written notice of the problem within a reasonable time, not to exceed 14 days from the date of discovery or your receipt of the first statement or notice reflecting the problem, whichever occurs first.

For purposes of these disclosures, our business days are Monday through Friday - Holidays are not included. To request a copy of a check presented against your account, please contact us at 877-770-BANC (2262).

IMPORTANT: Please examine this statement. If any error concerning the information contained herein, excluding a line of credit, is not reported to us within 30 DAYS, this statement will be considered correct.

IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS**In Case of Errors or Questions About Your Electronic Fund Transfers**

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. Telephone us at 877- 770-BANC (2262) or write to us at Banc of California, N. A., 3 MacArthur Place, Santa Ana, CA 92707

1. Tell us your name and account number.
2. Describe the error or transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within 10 business days (20 business days for new accounts, point-of-sale and foreign transactions) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days for new accounts, point-of-sale and foreign transactions) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days for new accounts) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within (10) business days, we may not provide you with a provisional credit. If we decide that there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

CONSUMER BILLING RIGHTS NOTICE**KEEP THIS NOTICE FOR FUTURE USE**

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify us in case of errors or questions about your bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write to us at:

Banc of California, N.A.

3 MacArthur Place

Santa Ana, CA 92707

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar Amount: the dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors, and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

HOW YOUR INTEREST CHARGES ARE CALCULATED

Periodic INTEREST CHARGES for credit advances under your Credit Line will begin to accrue on the date credit advances are posted to your Credit Line. There is no "free ride period" which would allow you to avoid an INTEREST CHARGE on your Credit Line advances.

A daily INTEREST CHARGE will be imposed on all credit advances made under your Credit Line imposed from the date of each credit advance based on the "daily balance" method. To get the daily balance, we take the beginning balance of your Credit Line Account each day, add any new advances and subtract any payments, credits or any unpaid INTEREST CHARGES. This gives us the "daily balance."

INTEREST CHARGES are determined by multiplying the "daily balance" by the "Periodic Rate" ("Periodic Rate" is the interest rate in effect divided by 365). Times the number of days the Credit Line was at that balance, the result is truncated to two digits. The last day of the period (statement day) is always calculated as a separate day regardless of whether or not the balance changed. Then we add together the periodic INTEREST CHARGES for each day in the billing cycle. This is your INTEREST CHARGE calculated by applying a "Periodic Rate." The periodic INTEREST CHARGE is posted to the Credit Line on the last day of the billing cycle as part of the new balance.

CONSUMER CREDIT REPORTING

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IMPORTANT DISCLOSURES TO OUR BUSINESS AND NON-PERSONAL ACCOUNTS

The above provisions do not apply to business or other non-personal accounts. You must send us a written notice of the problem within a reasonable time, not to exceed 14 days from the date of discovery or your receipt of the first statement or notice reflecting the problem, whichever occurs first.

For purposes of these disclosures, our business days are Monday through Friday - Holidays are not included. To request a copy of a check presented against your account, please contact us at 877-770-BANC (2262).

IMPORTANT: Please examine this statement. If any error concerning the information contained herein, excluding a line of credit, is not reported to us within 30 DAYS, this statement will be considered correct.

IMPORTANT DISCLOSURES TO OUR CONSUMER CUSTOMERS**In Case of Errors or Questions About Your Electronic Fund Transfers**

If you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt, we must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. Telephone us at 877- 770-BANC (2262) or write to us at Banc of California, N. A., 3 MacArthur Place, Santa Ana, CA 92707

1. Tell us your name and account number.
2. Describe the error or transfer you are unsure about and explain as clearly as you can why you believe there is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within 10 business days (20 business days for new accounts, point-of-sale and foreign transactions) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days for new accounts, point-of-sale and foreign transactions) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days for new accounts) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within (10) business days, we may not provide you with a provisional credit. If we decide that there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

CONSUMER BILLING RIGHTS NOTICE**KEEP THIS NOTICE FOR FUTURE USE**

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify us in case of errors or questions about your bill

If you think your bill is wrong, or if you need more information about a transaction on your bill, write to us at:

Banc of California, N.A.

3 MacArthur Place

Santa Ana, CA 92707

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar Amount: the dollar amount of the suspected error.
- Description of problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors, and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

HOW YOUR INTEREST CHARGES ARE CALCULATED

Periodic INTEREST CHARGES for credit advances under your Credit Line will begin to accrue on the date credit advances are posted to your Credit Line. There is no "free ride period" which would allow you to avoid an INTEREST CHARGE on your Credit Line advances.

A daily INTEREST CHARGE will be imposed on all credit advances made under your Credit Line imposed from the date of each credit advance based on the "daily balance" method. To get the daily balance, we take the beginning balance of your Credit Line Account each day, add any new advances and subtract any payments, credits or any unpaid INTEREST CHARGES. This gives us the "daily balance."

INTEREST CHARGES are determined by multiplying the "daily balance" by the "Periodic Rate" ("Periodic Rate" is the interest rate in effect divided by 365). Times the number of days the Credit Line was at that balance, the result is truncated to two digits. The last day of the period (statement day) is always calculated as a separate day regardless of whether or not the balance changed. Then we add together the periodic INTEREST CHARGES for each day in the billing cycle. This is your INTEREST CHARGE calculated by applying a "Periodic Rate." The periodic INTEREST CHARGE is posted to the Credit Line on the last day of the billing cycle as part of the new balance.

CONSUMER CREDIT REPORTING

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IMPORTANT DISCLOSURES TO OUR BUSINESS AND NON-PERSONAL ACCOUNTS

The above provisions do not apply to business or other non-personal accounts. You must send us a written notice of the problem within a reasonable time, not to exceed 14 days from the date of discovery or your receipt of the first statement or notice reflecting the problem, whichever occurs first.

For purposes of these disclosures, our business days are Monday through Friday - Holidays are not included. To request a copy of a check presented against your account, please contact us at 877-770-BANC (2262).

IMPORTANT: Please examine this statement. If any error concerning the information contained herein, excluding a line of credit, is not reported to us within 30 DAYS, this statement will be considered correct.

We may report information about negative account activity on consumer and small business deposit accounts and consumer reserve lines to Consumer Reporting Agencies (CRA). As a result, this may prevent you from obtaining services at other financial institutions. If you believe we have inaccurately reported information to a CRA, you may submit a dispute by calling 1-800-428-9623 or by writing to Chex Systems, Attention Consumer Relations, 7805 Hudson Road, Suite 100, Woodbury, MN 55125. In order to assist you with your dispute, you must provide your name, address and phone number; the account number; the specific information you are disputing; the explanation of why it is incorrect; and any supporting documentation (i.e. affidavit of identity theft). If applicable.
